

Ezie was born with a list of challenges that she is bravely working through with the dedication of her family and the support of *Friends of Tennessee's Babies with Special Needs*. **“My girl Ezie does not let life get her down and almost always wears a smile – especially if she’s sweet on you!”** exclaims Deja, Ezie’s mom. **“She’s a champion for sure!”** We are so glad to be able to help Ezie and all the other little champions we know.
